\* This module allows to display a small (yellow vest) at the top left of the yellow jackets for supporters of the Shop.

\* To be in solidarity with the yellow vests, simple installation, it will display a yellow vest on your FrontOffice shop, in the top left for the full screen pc version.

\* And for the mobile version it will be on the right side of the top left.

\* I tested the module with Bootstrap Theme and PS 1.6

\* This is my first module so let me know if something is wrong with the installation

\* If you like the module, you can send me a donation via paypal to: [zeltron2k3@gmail.com](mailto:zeltron2k3@gmail.com)
